Health Choice Contract Update

Effective January 1, 2024, Sonora Quest will be IN-NETWORK with all Health Choice products

Sonora Quest is pleased to announce that we will be contracted and **in-network with all Health Choice products effective January 1, 2024**. This new agreement will enable Sonora Quest to serve all Health Choice ACA Marketplace, AHCCCS, and D-SNP members.

Our extensive Patient Service Center network of more than 70 locations throughout Arizona, including 15 locations in Safeway stores, is prepared to serve all of your Health Choice patients. Patients can conveniently schedule appointments on their desktop or mobile device at [SonoraQuest.com](https://www.SonoraQuest.com). We offer a local, comprehensive test menu that encompasses routine, molecular, prescription drug monitoring, genetic, women's health, and pathology testing services, including nearly 70 board-certified anatomic, gynecologic, and clinical pathologists.

Payor Codes in Quatum

- **Use payor code 4094 – HealthChoice Eligibility** for Health Choice AHCCCS and D-SNP members sent to Sonora Quest Laboratories for testing.
- **Use payor code 5010 – ACA – Standard Health with HealthChoice (BX Exchg plan)** for Health Choice Marketplace members sent to Sonora Quest Laboratories for testing.

Electronic Medical Record (EMR) Health Plan Mapping

Some EMRs allow health plan mapping for ease in routing patient samples to the appropriate laboratory for testing. Sonora Quest has a team of Connectivity Consultants available to facilitate this process. To schedule a visit, please contact your Account Manager or our Sales Support Department at 602.685.5285 (toll free is 800.766.6721 ext. 5285).

Please contact your Sonora Quest Account Manager with any questions. For a complete listing of our contracted and in-network health plans, visit <https://www.sonoraquest.com/healthplans>.

REMINDER: STAT Orderable Testing

Effective January 15, 2024, the STAT test offerings at Sonora Quest Laboratories will be updated. As a reminder, STAT testing should only be used for urgent medical care. Please note the availability and turnaround time for the testing below may depend on the region. For test offering questions, please call Client Services at 602.685.5050.

Due to sample stability requirements, Semen Analysis, Complete (test #703640), and Semen Analysis, Post-Vasectomy w/reflex to Count & Motility (test #901289) are available by appointment only. Please instruct patients to visit www.SonoraQuest.com or call 1.855.367.2778 to schedule an appointment at the following locations: 1275 W. Washington St., #109, Tempe, or 630 N. ANNOUNCEMENT: CPT Coding Effective January 1, 2024

The American Medical Association (AMA) has made Current Procedural Terminology (CPT) code changes to the 2024 edition of the CPT coding manual. In addition, the CMS has also made changes to Healthcare Common Procedure Coding System (HCPCS) codes.

Sonora Quest Laboratories has implemented these changes effective January 1, 2024. The changes for 2024 affect the way we bill some of our tests. Please note that these changes will not impact our service offerings or how you order them but simply how we will bill third-party payers.

The summary below outlines the 2024 CPT code changes that affect Sonora Quest Laboratories' published test offerings. These tests may also be included in panels or profiles.

Test Code	Test Name	2023 CPT*	2024 CPT*
10092	Acetylcholine Receptor Modulating Antibody	83520	82166
8021	Acetylcholine Receptor Binding Antibody	83519	86041
10093	Acetylcholine Receptor Blocking Antibody	83519	86043
907361	Anti-Mullerian Hormone (AMH)	83519	86042
8076	Myasthenia Gravis Panel	83519	86041
904286	Myasthenia Gravis Panel 3	83519	86041
